

# Wilson County Board of Education

Policy Description:  Facility Expansion - Goals	Policy Number: 3.207	Amended Date: 06/04/07
	Rescinds: 600.5 E2(a)	Issued: 06/02/98

1 The Board shall authorize the construction of a sufficient number of school buildings to meet the demands of  
2 present and future enrollments. Plans shall include simplicity of design; sound economics, including low long-  
3 range maintenance costs and low insurance rates; high educational utility; and flexibility.

4

5 The Board establishes these broad goals for development of facilities:

6

7

1. To base educational specifications for facilities on identifiable learner needs;<sup>1</sup>
2. To design facilities as economically as feasible, provided learner needs are effectively and adequately met by the design;
3. To involve the community, school staff, and authorities on school construction and design and to use the latest developments and research in building plans and specifications; and
4. To design school buildings for maximum potential community use.
