1 In order to define the fair and reasonable use that employees may make of copyrighted work for educational  
2 purposes without the permission of the copyright owner and to reduce the risk of copyright infringement, the  
3 Board shall require the following:

- 4
- 5 1. All employees shall adhere to the provisions of the United States Code regarding the copying and/or the  
6 use of copyrighted materials;<sup>1</sup>
- 7 2. In the case of computer software, the ethical and practical problems caused by computer software  
8 piracy shall be taught in all computer courses;
- 9 3. The director of schools shall establish specific regulations regarding the copying, distribution and use of  
10 copyrighted materials for instructional purposes; and
- 11 4. The principal of each school shall establish practices which will enforce this policy at the school level.
