**SPECIAL NOTES:**

1. Money collected for instructional supplies and materials is used by the class or department in which it is collected to supplement money received through the regular county budget. It is used to purchase expendable supplies such as copy paper, consumable workbooks, etc.
2. Waiver of fees is possible if the student has been verified for and receives free and reduced price school lunches.<sup>1</sup> At the beginning of the school year, each principal shall be responsible for providing information to all students and their parents regarding free or reduced price lunches.
3. Waivable fees include those listed above. Other fees, such as fees for summer school, graduation, or student records, may be requested.
4. Non-waivable fees include fines for late-returned, damaged or lost library books, damaged or lost textbooks, workbooks, and other school property, student parking permit fees (at a maximum of \$20.00 for the school year), lock rental fees, fines for parking violations while on school property, costs for extracurricular activities, non-resident tuition charges, security deposits for use of school property for participation in extracurricular activities, and any debts incurred pursuant to Rule 0520-1-3-03(13), withholding of student grades for debts owed to the school.
5. All matters related to the collection and/or waiver of fees shall be treated as confidential information from parents, students, teachers and the school administration.
6. Fee refunds are available upon request provided the class is dropped and/or student's transfer/withdrawal is accomplished before the end of the first grading period per term (excluding expulsion, suspension or transfer to MAP Academy).

**We regret the necessity for this request.**

**Our schools use the fee money collected to purchase supplementary materials that maximize our students' educational opportunity.**
