

Rutland Elementary School

Soaring together... into the Future

Yvonne Kittrell
Principal

Cathy York
Assistant Principal

This year Rutland Elementary will be putting together our first 5k run to continue our efforts in updating the school's technology. We are hoping to raise enough money to add LED projectors and screens to several of our classrooms. These projectors will allow the teachers to use all their resources and materials that go with the current curriculum. We will also use this opportunity to emphasis daily exercise to the Rutland students.

The Rutland Rocket 5K Run/Walk will take place on Saturday May 1, 2010 at 8am. This event, featuring community wide participation, will be run through the Mount Juliet Providence area. We are asking for your support. Any contribution would help make this event a success and would be greatly appreciated. A donation to Rutland Elementary is a donation to support our future. This year's school motto, "Wish It, Dream It, Do It" will be a reality with your help.

Thank you for taking the time to consider making a donation to the Rutland Elementary School M.A.R.S. (Making All Rockets Shine) group. We are a non-profit, parent organization for Rutland Elementary School. All of the money we raise goes back to the school. The school is located at 1995 S. Rutland Road Mount Juliet, Tennessee 37122. We are a non-profit 501c (3) organization. For verification of our program, you may contact our school principal, Yvonne Kittrell, at 754-1800.

Thank you again for your time.

Sincerely,

Angie Osborne
MARS President
